## Technology Help Club Activity Description & Calendar

### TECHNOLOGY HELP - MONDAY, \_ MARCH 4

Topic: Digitizing Important Documents

Digitizing important documents and photographs can not only help you preserve them but it can help keep you organized and make them easier to find when you need them.

### TECHNOLOGY HELP - MONDAY, \_ MARCH 11

Topic: AI

How is artificial intelligence already a part of our lives and should we be wary or excited? Why has it been in the news so much lately?

### TECHNOLOGY HELP - MONDAY, \_ MARCH 18

Topic: Earth Hour

Earth Hour is a worldwide movement and event in which people turn off the lights for one hour on March 23rd as a symbol of commitment to the planet. Let's learn more about this event and how and why people get involved by turning off their technology for this symbolic event.

### TECHNOLOGY HELP - MONDAY, \_ MARCH 25

Topic: Google Slides

Have you ever needed to create a slideshow presentation but weren't sure where to start? We'll look at one tool, Google Slides, to learn how to make sleek looking presentations that you can share and collaborate with others via the cloud.

### TECHNOLOGY HELP - MONDAY, \_ APRIL 1

Topic: Facebook Quizzes and Social Media Scams

A Facebook quiz may seem like a harmless way to pass the time. But are you giving away more information than you think to people with nefarious intentions?

### TECHNOLOGY HELP - MONDAY, \_ APRIL 8

Topic: Canva

Canva is a free-to-use online graphic design tool. Let's take a look at how you can use it to create social media posts, presentations, posters, videos, logos and more.

### TECHNOLOGY HELP - MONDAY, \_ APRIL 15

Topic: Cloud Computing

We hear a lot about cloud computing, but what is it exactly? Are the things you save to the cloud actually going into thin air?
