

Frequently Asked Questions

What is Grouper and how does it work?

Grouper is your gateway to vibrant social connections. We seamlessly work with health plans to cover membership dues, ensuring you can reap the benefits of 'Social Fitness' for improved mental, physical, and social well-being.

Why did we partner with Grouper?

This partnership opens doors for eligible members of your club to enjoy an annual membership covered by Grouper. This is possible through our partnerships with Medicare Advantage and Medicare Supplement plans. This unlocks fresh avenues for your club to engage and add value to both present and new members.

This sounds too good to be true, what's the catch?

Grouper believes in the power of social connection and has teamed up with insurance providers who believe the same. Your club has been proven to help active adults live longer lives through all three determinants of health: physical, social and mental activity. As long as you remain active, we will cover your yearly membership costs.
